WELCOME

Welcoming the Greatest Arabian Car Clubs to the Royal Bahrain Concours.

It is a great pleasure to invite you and your fellow club members to the inaugural Royal Bahrain Concours. Across our international portfolio of Concours events, we pride ourselves on displaying the very best examples of all types of cars.

We will create the GCC's first world class Concours. In addition to the 60 Concours cars forming the core line-up of the event, we will also feature 200 cars from the greatest regional car clubs across the 2 open days of the event – 7th and 8th November.

In partnership with the Bahrain Tourism & Exhibitions Authority, a suggested itinerary of engaging local activities will also be provided. As well as recommended local hotel options for you, your members, and your guests.

We would be delighted and honoured if you and your members were to join us in celebrating a magnificent motoring weekend and a historic occasion.

INVOLVEMENT OPTIONS

CLUB DISPLAYS

Each club will be represented at the event with an exceptional line-up of members cars, with each entrant admitting both a driver and a passenger. This will permit each car to be parked as part of your respective club display within the Royal Golf Club grounds.

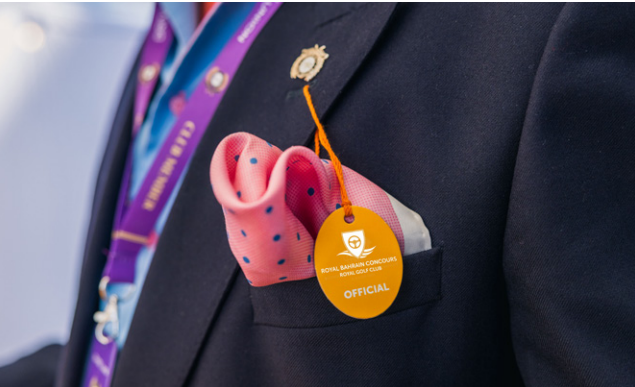

We will have a maximum of 200 Club Cars on display and will operate on a “first come, first served” basis.

Each Car Club (minimum of 10 cars per Club) will also have access to an individual Car Club Marquee of 9 square meters in order to welcome guests.

All participating car clubs will be profiled across our event website, catalogue, newsletter, and social media as an Official Club Partner. We’re keen to promote the benefits of your membership to our audience of passionate enthusiasts.

CLUB TICKETS

If you wish to simply attend the event without a car, we will arrange, through your club, specially discounted tickets.
